

# Change Your Water Change Your Life!

## What if every glass of water you drank

- Balanced your body's pH
- Totally hydrated your body
- Helped to detoxify you
- Increased your absorption of nutrients...

*All while providing one of the highest and most bio-available anti-oxidants you can get to oxygenate your body?*

**YOUR HEALTH WOULD GREATLY IMPROVE  
YOU WOULD BEGIN TO LOOK AND FEEL YOUNGER**

Kangen Water has been used for more than 35 years in over 250 hospitals and medical clinics in Japan for its scientifically-documented health benefits and is approved as a medical device by Japan's version of our FDA.

## Some of those documented health benefits include:

- Release of body fat and stored toxins
- Relief of chronic back and joint pain
- Normalization of blood sugar and insulin
- Lowering of blood pressure and cholesterol
- Support of healthy colon function
