

Eat Local One Year

BE THE CHANGE: OJAI

Kristofer and Joanne Young, of Ojai, are planning a locavore project centered in the Ojai Valley for the entire year of 2009. A locavore is a person who pays attention to where her/his food comes from and commits to eating local food as much as possible and we are looking for 100, or more, folks to join us in this adventure.

This year-long project will be the subject of a documentary film by Quarter Mile Films, Inc.

Learn more about the project, and see if it rings your bell,
at our introductory and discussion meeting on
Saturday, May 10th at 7:00 PM
at the Young's house in Ojai.

This meeting will be filmed.

Sustainably yours, *Kris and Jo*
